

Day 2 - Year 6 home learning

Subject	Activity	Resources to help
Maths	Today you are moving on to finding the area and perimeter of triangles. <u>Watch the video</u> to learn the method for finding the area and perimeter of triangles. <u>Have a go at the questions</u> , remembering to use the correct measurement. As a challenge, <u>can you justify</u> why the area of a triangle is $\frac{1}{2}$ base x height?	https://youtu.be/ZnuqO9YBowQ Help sheet Questions
English	Today you are going to explore some key scenes from Harry Potter and the Philosopher's Stone. Read the extracts. As you read, <u>highlight or underline any vocabulary you are unsure of</u> , and <u>look up definitions in a dictionary afterwards</u> . At the end of each extract, <u>draw a picture or write a summary of the scene</u> . You will need these drawings/summaries for tomorrow's home learning.	Extracts
Reading	<u>Read the extract of Inkheart aloud</u> to yourself, or to a family member if they are available. Try to <u>read with expression</u> and focus on your fluency. <u>Highlight any words</u> that you do not understand and find their definitions. Write a <u>one sentence summary</u> of the extract.	Extract
Spellings	Have a look at this week's spelling words and practise these in whichever way works best for you. You could try writing them out as much as you can, a spelling scribble, a spelling pyramid or make a spelling game.	
Topic	This is your second year of learning about World War 2 - make a poster that showcases all your learning and everything you know about WW2.	

If you have any questions - or would like to share your child's completed work - please use Class Dojo!
