

Day 3 - Year 5 home learning

Subject	Activity	Resources to help
Maths	Today we will be revisiting how to multiply fractions by a whole number. Watch the attached video and then complete the questions.	https://www.youtube.com/watch?v=B8LVDxQB_LQ
English	Using the plan you created yesterday and your knowledge of the fantasy genre, write the first 2 paragraphs of your story. This will be the opening paragraph (where you will introduce the setting and characters) and your build up paragraph (where your characters will go through a portal into a fantasy world. Think about how you can build suspense and don't forget to describe clearly for the reader. You should aim to include expanded noun phrases, adverbials and parenthesis here. If you want to, draw a picture on a separate piece of paper to illustrate your story so far.	Your plan from yesterday My example from Monday
Reading	Re-read the text on Planet Earth and answer the questions based around this.	
Spelling	Please use the spelling words which were sent out in an email to practice your spellings. Some good ways to do this is either to learn them via look, cover, spell, check or you can always create a wordsearch and find your spelling words.	https://thewordsearch.com/maker/
Science	Make a fact file or poster to present information about Tim Peake's time on the	https://www.bbc.co.uk/bitesize/topics/zdrrd2p/articles/z822hv4

International Space Station. You will need to research this topic before you present your information.
